

Mina Zayed Harbour Master Directions

Compliance with Port Waste Management

To: All Mina Zayed, Free Port and Municipality Harbour Users

Abu Dhabi Ports Company (ADPC) as a Port Authority is dedicated to fulfil its commitment towards maintaining minimum environment impact in its Ports.

In light of the above, all Mina Zayed, Free Port and Municipality Harbour users are requested to comply with Port Waste Management system. The current practice of leaving garbage on the quayside randomly and in places not designated for garbage disposal must be ceased. All waste is to be disposed in dedicated skips on each berth.

All Port Users should comply with above direction. ADPC will hold offenders liable for environment preservation and shall impose strict measures against all offenders, which may include levying of a fine.
