Khalifa Port Harbour Master Directions

Using of Tetra Radios in Harbour Master office

To: Assistant Harbour Master, VTS supervisor and Port Controllers.

Application: this direction is applied to all communication using the Tetra radios by HM office and Port Control

We received 3 tetra handheld Radio units from ADPC HSSE department for the use of the Harbour Master in Khalifa Port.

This direction is issued in order to formalise the use of these critical equipments.

1. There is only one channel used by Security, and extra channels will be added in the future.
2. There will be 2 units at the Port Control to be used only in emergency or as per Harbour Master Instructions.
3. The units' numbers, location and call-signs as per the following table

Call-sign	Number	Location	Remarks
Marine 1	7245480	Harbour Master	
Marine 2	7245459	Port Control	Keep always charged and in STby mode
Marine 3	7245470	Port Control	

4. Port Control officers and supervisor should check the units TX and RX frequently mainly with the control room and log the test in the Radio Logbook.
