

## MINA ZAYED HARBOUR MASTER DIRECTION

### Vessels Speed Limits in Mina Zayed, Freeport & New Freeport

#### To: Port Users & Vessels' Agents

With the aim of ensuring safe navigation of vessels in channels and basins of Mina Zayed, Freeport and New Freeport at all times, the vessels' speed limits are restricted under the normal operating conditions (either inbound or outbound movements) as per the following criteria.

Ports	In the Channel (knots)	In the Basin (knots)
Mina Zayed	12	6
Freeport / New Freeport	10	5

The above defined speed limits are maximum and should not be exceeded under any circumstances.

**Note:** the vessel's speed shall not exceed 6 knots while engaged by Pilot in embarking / disembarking operations.

You compliance with the above is highly requested.

  
Captain / Jaber Al Shehhi  
Mina Zayed Harbour Master
