ABU DHABI PORTS

CHIEF HARBOUR MASTER DIRECTION

Vessel Pre-Arrival Notification

To: Ships' Masters, Owners and Agents

In order to facilitate ease of port entry, Masters, Owners and Agents are reminded of the Abu Dhabi Transport Regulations (General and Port Operations) requirement for the Uniform Ships' Pre-Arrival Notification (PAN) Report be delivered to Abu Dhabi Ports at least 48 hours before port arrival.

Unless alternative arrangements have been agreed, the PAN Report must be submitted by the Agent through Abu Dhabi Ports' MAQTA Gateway.

PAN Report may be accepted less than 48 hours before port arrival, for ships engaged on short non-international voyages, where there is no change in the information previously submitted to Abu Dhabi Ports, at the sole discretion of the Harbour Master.

Any delay because of failure to submit a PAN Report within the stipulated period, is entirely the ship's responsibility.

Any queries relating to this circular should be directed by email to Abu Dhabi Ports' Harbour Master Office (regulations@adports.ae).
