MUSAFFAH HARBOUR MASTER

Vessel Entry Requirements & communications for vessels operating in the Emirates of Abu Dhabi

To: All Users

In reference to HM Direction No. MUS 03/2015 issued on 1st April 2015 "Vessel Entry Requirements & communications for vessels operating in the Emirate of Abu Dhabi", please note that two new information requirements (UAE Navigation License Expiry Date + Q88 for Tankers) will be added with immediate effect.

Therefore, the list of information required for vessels leaving, entering and transiting Musaffah Channel and Port Limits has become the following:

- Vessel name.
- Port Of Registry/IMO No/ Official Number
- Last Port/ Next Port.
- LOA/Breadth/Draft FWD +AFT.
- GRT.
- PEC NO if applicable.
- MFC No if applicable.
- Tug & Tow Safety Checklist for combination if applicable.
- Q88 for Tankers.
- UAE Navigation License Expiry Date.
- The services required.

Therefore we expect all agents intending to move their vessels in/out Musaffah Port Limits (Vessels operating in the Emirate of Abu Dhabi only) to send this information well in advance as per AD Ports Rules and Regulations.

HARBOUR MASTER DIRECTION

This Direction does not cancel HM Direction No MUS 03/2015 but should be used in conjunction with.

Your cooperation in this matter is requested.
