

PORT CIRCULAR

To: **Shippers, Agents, Terminal Operators and or any party involved in the Transport of Goods Through Khalifa Port**

Subject: **Charges Applicable to the Verified Gross Mass (VGM) in Compliance with SOLAS VI Regulation 2 Amendment**

Dear Valued Customers,

Abu Dhabi Ports would like to take this opportunity to thank you our valued customer for your on-going support.

We would like to draw your attention to the previously issued Circular AD Ports Port Circular No. 02/2016 namely (Implementation of the SOLAS VI Regulation 2).

With effect June 1st 2018, we would like to announce a change in the billing and charging mechanisms towards the application of VGM Certification and Weight charges.

With this in mind the following charges will be payable through Maqta Gateway.

- VGM Certificate issuance AED 40 (applicable to Method 1 and Method 2 VGM provision).

Port Circular

- Weighing charges AED 5 (Applicable to Method 1 VGM provision where weighing has been requested and/or containers where no VGM has been recorded in the system).

For further information relating to this Circular, including the usage terms and conditions for MAQTA Gateway, please contact Maqta Gateway Service Desk at mgservicedesk@adports.ae or contact the call centre on 800 10 20 30.
