**Subject: Availability of RORO ramp at Musaffah Port**

Dear Valued Customers,

Abu Dhabi Ports would like to take this opportunity to thank you for your on-going support.

We would like to remind you that a dedicated RO-RO ramp is now available in Mussafah Port. The ramp is suitable for project cargo, Ro-Ro and or break bulk.

For additional information concerning the ramp capacity and or availability, please feel free to contact the Mussafah Port operations team at the following email address:

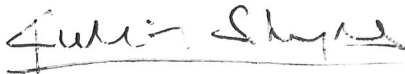

[MP.OPERATIONS@adports.ae](mailto:MP.OPERATIONS@adports.ae)

**Ramp Specification**

- Maximum weight – 80 tons
- Maximum width – 7 meters
- All tracked/wheeled units namely (Bulldozer, crawler crane, ETC) requires rubber protection during the discharge operation.

If you may have any questions and or require any clarification, please contact customer service on email id: [customercare@adports.ae](mailto:customercare@adports.ae) or alternatively telephone number 800 10 20 30.
