ADPORTS-PO- COM-LTR- 002641

**To: All Transporters, Shipping Agents, Freight Forwarders and Ports Users**

**Subject: Poorly Stowed Cargo On Board Incoming Vessels**

Dear Valued Agents,

Abu Dhabi Ports would like to take this opportunity to thank you our valued customer for your on-going support.

Further to our previous circular Ref number "ADPORTS-PO-COM-LTR-02613 Poorly Stowed Cargo" we would once again like to highlight the ongoing concern over cargo incorrectly and or poorly stowed onboard cargo vessels.

This observation corresponds to the increased number Multi-Purpose Vessels currently calling Abu Dhabi Ports facilities.

Furthermore we as Abu Dhabi Ports reserve the right to implement additional charges and or deploy additional manpower to ensure the safe working conditions are maintained at all times onboard vessels.

It is therefore important to note that Abu Dhabi Ports shall not be liable for any vessel delay, shifting and or berth re-assignment due to incorrect stowage. We will endeavor to ensure that these delays are minimized but resources can only be deployed dependent on availability.

If you require any further clarification and or assistance, please feel free to contact the customer service team on email: [customerservice@adports.ae](mailto:customerservice@adports.ae) or toll free number 800 10 20 30

For Abu Dhabi Ports

Julian Skyrme
