ABU DHABI PORTS

MUSAFFAH PORT HARBOUR MASTER DIRECTION

Recording and Storing Details of Oil Transfer Activity

To: Musaffah Port Users/ Agents/ Vessel Owners,

Attention: Terminal operations & Marine Service provider

In compliance with MARPOL Annex V, please note that we are in obligation to collect information for our database on number of bunkering operations along with the quantity of oil transferred.

Therefore, this to be submitted to Musaffah VTS at the beginning of each month by using the following format:

Sr. No	Date	Port / Jetty	Supplier Name	Receiving vessel	Quantity of oil transferred	Supplied via (marine bunker / road tanker)	Remarks

Please note that both Marine bunker and road tanker transfers should be part of this report. Reporting on the above is effective from January 2018.

Your compliance with the above is requested.

Thanks and best regards

for **Capt. Jaber Al Shehhi**
Musaffah Port & Dhafra Region Ports Harbor Master
