SECTION - A

Definitions and Conditions: The following schedule of charges, definitions and conditions shall apply in addition to the Abu Dhabi Ports Standard Terms and Conditions which shall form an integral part of the schedule of charges and govern the use of the port or provision of services by Abu Dhabi Ports.

"VAT" means any Value Added Taxes or similar excise taxes, sales added or use taxes (as defined in any relevant legislation in the relevant territory, as amended or re-enacted from time to time, and legislation supplemental to it) imposed or to be imposed upon any payment due to AD Ports pursuant to this Tariff, at the rate in force when the relevant supply is made and includes any tax or taxes of a similar nature substituted for, or levied in addition to, such tax or taxes.

- i. VAT
- ii. All amounts in this tariff are VAT exclusive, any services provided or performed for handling local cargo or vessel calls shall be subject to 5% VAT rate according to the applicable Laws and regulations.
- iii. Any Services related to the international transportation of goods or Passenger shall be subject for Zero rated VAT as per the Federal Decree-Law No. (8) Of 2017 on Value Added Tax
- iv. International transportation means (transporting passengers or Goods, either or both, if the first place of departure, or the final place of destination, is outside UAE) according to the Federal Decree-Law No. (8) Of 2017 on Value Added Tax
- v. Please refer to the Appendix 2-VAT application 2018 of General Cargo Charges Main Ports and subject to change without notice depending on interpretation of the Federal Decree-Law No. (8) of 2017 on Value Added Tax

1. DEFINITIONS

1.1 **ADPorts:** Abu Dhabi Ports

1.2 **Day:** A calendar day consisting of 24 continuous hours commencing at midnight

1.3 **GT:**

Shall mean the Gross Tonnage (GT) of a vessel as recorded in the valid National or International Tonnage Certificate, issued by a vessel's national administration or classification society on behalf of the national administration. Where a vessel or craft has a dual GT, then the higher figure applies.

1.4 **Port Dues:**

Port dues will be levied on all vessels entering the port facility. All charges are based on tonnage (tons) and or Gross Registered Tonnage (GRT) or Gross Tonnage (GT). Where a vessel has both GRT and GT the higher tonnage shall apply. Where a vessel has a dual GRT, the higher tonnage shall apply.

1.5 **LOA:** Length Overall

1.6 **Metric Ton:** A unit of weight equal to 1,000 kilograms.

1.7 **FRT (Freight Tonne):**

Unless otherwise specified, all "Tons" shall be regarded as "Freight tons" and shall be determined by a weight tonne of 1,000 kilos or a measurement of one cubic meter, whichever is greater.

1.8 **CBM:** A volume of one cubic metre.

1.9 **Port Clearance Certificate:**

A certificate issued by Abu Dhabi Ports to vessels who have complied with all government formalities, have not been detained by order of a court of competent jurisdiction or a government agency and have paid all charges due to Abu Dhabi Ports, before a vessel is given permission to leave an Abu Dhabi Ports, Port.

1.10 **NOC:** No Objection Certificate.

1.11 **Ro-Ro Unit:**

Any truck, car, trailer or similar vehicle on wheels or tracks capable of being 'rolled-on or rolled-off' a vessel, (including cassettes, non-wheeled trailers and containers) by means of a ramp.

1.12 **Ro-Ro Vessel:**

A single or multi deck cargo ship for the carriage of laden vehicles which are loaded via ramps.

1.13 **Direct Delivery:**

Means discharging or loading of cargoes to or from any vessel across the rails or ramp directly into or from a truck and/or trailer and/or similar vehicle, without the cargoes touching the jetty or terminal area or ground, or the vehicle stopping in the Terminal Area.

1.14 Transshipment:

“Transshipment Cargo or transshipment Container” means goods landed from a Vessel and placed in the custody of the Abu Dhabi Ports port/terminal for the purpose of shipment on another Vessel.

1.15 IMDG Code: The International Maritime Dangerous Goods Code.

1.16 Passenger Vessel:

A vessel that can carry more than 12 passengers, where a passenger is every person other than the master and the members of the crew or other person employed or engaged in any capacity on board a ship on the business of that ship, and or a child under one year of age;

1.17 Passenger Ferry:

Is a passenger vessel engaged on regular services to or from any Gulf port, meaning a series of crossings operated so as to serve traffic between the same two or more ports, or a series of voyages from and to the same port without intermediate calls, either: according to published timetables or with crossings so regular or frequent that they constitute a recognisable schedule.

2. CONDITIONS

2.1 Alterations to schedule of charges:

Abu Dhabi Ports reserves the right to amend, change, edit or alter from time to time, any or all items under this schedule of charges, including terms and conditions or interpretations contained herein.

2.2 Currency:

All charges and rates mentioned in this schedule of charges are payable in United Arab Emirates Dirhams.

2.3 Documentation:

The documentation required for the processing of any application or interaction with Abu Dhabi Ports is available on the Abu Dhabi Ports website

2.4 Notice of Arrival (NOA):

Procedures and documentation are available on the Abu Dhabi Ports website. www.ADPorts.ae

2.5 Port Working Hours:

- a. Administration Working Hours: 07:30 hours to 15:30 hours Monday to Friday, excluding public holidays. Abu Dhabi Ports offices are closed on Saturday and Sunday.
- b. General Cargo and CFS Operations: Cargo handling operations are available 24 hours a day throughout the year.
- c. Normal Cargo working hours are from Monday to Friday inclusive (excluding Public Holidays and Sunday) as follows:

General Cargo	: *from 07:00 hours to 06:59 hours (24 Hours)
CFS	: *from 07:00 hours to 16:00 hours (08 Hours)
Ro-Ro	: *from 07:00 hours to 06:59 hours (24 Hours)

Note: * Normal port working hours are considered as 24 hours excluding Public Holidays and Sunday.

2.6 Overtime Hours: Public Holidays & Sunday

Overtime will be charged for all hours worked outside normal working hours, at the discretion of the Company, and the charges will be as set out in paragraph 2.7. The rates are applied to Port Handling, Stevedoring, the CFS cold stores and any operation involving the use of labour, with rates specified for both vessels and landside facilities.

2.7 Overtime Rates

Overtime will be charged for all hours outside normal working hours, at the discretion of Abu Dhabi Ports.

2.71: Vessels

- a) Monday to Saturday, 12:00 – 13:00 hours and 16:00 – 07:00 hours AED 205 per gang hour or part thereof
- b) All Hours Worked On Sunday AED 205 per gang hour or part thereof.
- c) All Hours Worked on Public Holidays AED 310 per gang hour or part thereof.

2.72: General Cargo & Ro-Ro

- d) Monday to Saturday, 07:00 hours to 06:59 hours (24 hours)
- e) All Hours Worked On Sunday AED 205 per gang hour or part thereof.
- f) All Hours Worked on Public Holidays AED 310 per gang hour or part thereof.

2.73: Container Freight Station

- g) Monday to Saturday, 16:00 hours to 07:00 hours, AED 205 per gang hour or part thereof.
- h) All Hours Worked On Sunday AED 205 per gang hour or part thereof.
- i) All Hours Worked on Public Holidays AED 310 per gang hour or part thereof.

Above rates will apply on an hourly basis when overtime hours are continuous with normal working hours. If not continuous, a minimum of 3 hours' charge at the above rates will apply.

Notes:

- (a) All requests for labour shall be submitted by 16:00 hours on the previous working day, late requests for gang and or labour booking will incur a minimum of 3 hours per gang in line with gang detention charges prior to commencement of operation.
- (b) The Company reserves the right to both allocate gangs to Vessels at their discretion and or decide the extent of overtime to be worked and booked at the Vessels expense.
- (c) Reference item number 2.71: Should an agent opt for a fixed "Overtime Rate" per vessel operation, then the following flat rates will apply. (Bulk-Aed 1.25 per FRT), (Project Cargo – Aed 1 per FRT) and (Others – Aed 2.5 per FRT) valid through Monday – Sunday excluding holidays. Split shipments and or partial loads are not valid for the above rate. Fixed overtime rate option should confirmed prior commencement of vessel operation.

2.8 Consent to these Terms and Conditions:

The use of any channel(s), port(s) and/or terminal(s) or facility managed and/or monitored by Abu Dhabi Ports shall automatically constitute agreement to the terms and conditions of this Tariff between Abu Dhabi Ports and all port users including, but not limited to vessels, their owners, crew, agents and/or representatives, operators, charterers, mortgagors, mortgagees, cargo agents, stevedores, cargo owners, forwarders, shippers and consignees, to be governed by all the rules and regulations, terms and conditions, abide by them and pay all rates and charges specified herein.

2.9 Jurisdiction and Administration:

Abu Dhabi Ports has jurisdiction granted by Emiri Decree No. 6 of 2006 to own, operate, maintain, manage and develop all port related facilities in Abu Dhabi (excluding Oil & Gas and military). The facilities and services provided by Abu Dhabi Ports are covered and governed by this schedule of charges.

2.10 Vessel:

Except as otherwise specified, when the term "Vessel" is used in this Tariff, it shall be held to mean floating craft of every description and shall include in its meaning the term "Owners, Charterers, Operators, Mortgagors and Mortgagees thereof".

2.11 Port Handling Charges (PHC):

Port Handling is a service charge for providing the Port Facility quays and its waters, other facilities and management and includes handling and movement of Cargo from the hook of the Vessel up to presentation to consignee's transport and includes standard mechanical equipment and labour.

For lifts over 20 tons or with unsuitable configuration for handling with standard equipment (as maybe applicable in the discharge of dry bulk and bulk liquids) the consignee or his Agent must provide suitable crane capacity and lifting gear. Port Cranes are available for hiring as required. (See Section C for applicable rates).

In the General Cargo Section of this Tariff the charges are identified under either "Received to Port Facility" or "Direct Delivery" and do not include onboard Stevedoring charges. All Port Handling Charges are payable per freight tonne.

2.12 Wharfage:

In cases where the cargo owner loads or unloads cargo across the quay using their own specialized loading/unloading equipment, a Wharfage charge will apply in lieu of Port Handling Charges. The amount of Wharfage applicable will equal the corresponding PHC rate for "Direct Delivery" of the specified cargo type.

2.13 Stevedoring:

The physical handling of Cargo onboard the Vessel from or to the Vessel's hook or point of discharge or load. This includes supervision and management. Irrespective of the terms of shipment, payment of stevedoring and related service charges will be the responsibility of the shipping line and/or his agent.

2.14 Point of Rest:

The area at the Port which is assigned for the receipt of inbound Cargo from the Vessel and from which inbound Cargo may be delivered to the Consignee's Agent or loaded on a Vessel in the case of transshipment and that area which is assigned for the receipt of outbound Cargo from Shipper's Agents for loading onboard a Vessel.

2.15 Open and Covered Storage, Parking Area and/or Marshaling Area:

The term Open / Covered storage, parking area and / or marshaling area, as used in this Tariff, refers to those areas at the Port where Cargo or Containers may be held in custody of the Port as instructed by the Owner or Agent. This area is considered as Port storage.

2.16 Free Time:

The specified period during which Cargo handled over the quay may occupy space assigned to it in the Port, free of storage charges, either prior to the loading or subsequent to the discharge of such Cargo.

Import and Transshipment Cargo free period will commence from the date of completion of offloading of the Vessel or on the fourth day after the arrival of Vessel whichever occurs first.

Export Cargo free period will start from the date of receipt. Export and Transshipment Cargo storage charges will be raised to the Agent of the loading Vessel.

2.17 Palletized/Unitized Loads:

Palletized/Unitized rates shall apply to Cargo which fulfill the following conditions: -

- a) The Cargo must be in small packages or units which are wrapped and/or strapped together on a pallet.
- b) The pallet must be a device on the deck of which a quantity of goods can be assembled to form a unit load for the purpose of transporting it, or of handling or stacking it with the assistance of mechanical equipment. The overall height and dimension of the pallet should be reduced to the minimum compatible with handling by forklift trucks and pallet trucks.
- c) The palletized unit must not be more than 2,500 kilograms in weight or 4 cubic meters in measurement and the longest side of the Cargo must not be more than 2.5 meters
- d) The palletized/unitized Cargo must be discharged or loaded wherever applicable with the aid of lift trucks on-board and on wharf.

2.18 Direct Delivery:

Charges cover exports delivered directly to Vessel's hook and or imports of which delivery is taken directly from Vessel's hook by the consignee or his Agent onto road transport or other mode arranged by him and which are received onto such transport as fast as the Vessel can deliver. Charges also cover bulk materials delivered directly through pipelines and or alternative delivery systems.

Prior approval of the Company must be obtained in each case. If for any reason whatsoever goods for direct delivery are landed to the quay and/or removed to the transit sheds or warehouses or stacked in the open yard, full Port Handling Charges will be applied.

2.19 Transshipment:

“Transshipment Cargo or transshipment Container” means goods landed from a Vessel and placed in the custody of the Abu Dhabi Ports port/terminal for the purpose of shipment on another Vessel.

To qualify for the transshipment Cargo rates the Cargo must be discharged by the first carrier onto the Abu Dhabi Ports port/terminal and remain in the custody of the Abu Dhabi Ports port/terminal until it is transshipped on-board the on carrying Vessel at the Abu Dhabi Ports port/terminal.

2.20 Document Processing Charge (DPC):

Document Processing Charge of AED 35/will be applicable to each of the following Bills processed by the Ports Documentation Section. These include Standard Bill of Entry, Export Declaration, Customs Exit/Entry, Duty Free Storage Area Bill of Entry, Private Bonded Application (PBA), and any other document that needs processing. The Document Processing Charge (DPC) will be applicable for all main ports, KP, MZ, MP and Free Port.

2.21 Application and Administration of this Schedule of charges:

All Rates, Rules and Regulations contained in this schedule of charges and/or changes thereto, shall apply unless otherwise specifically approved in writing by Abu Dhabi Ports.

2.22 Payment Deposit:

All charges are payable by registered agents with Abu Dhabi Ports. For registration procedures refer to www.ADports.ae. Vessels may be denied permission to berth, sail or move if found in non-compliance.

2.23 Contact Information: Customerservice@ADports.ae

2.24 Standard Terms and Conditions for Abu Dhabi Ports:

The use of all Ports or the provision of service by Abu Dhabi Ports will be governed by the standard terms and conditions for Abu Dhabi Ports, which can be found at www.ADports.ae

2.25 Damaged or Defective Goods:

Damaged or defective goods which are likely to deteriorate must be cleared from the Port within 30 days of the date of discharge. Abu Dhabi Ports will not assume any responsibility for further loss or damage. Any goods not cleared in accordance with the above may be removed by Abu Dhabi Ports at Owner's and or Agent's risk and expense.

2.26 Mis-declaration of Cargo Weights:

Abu Dhabi Ports will not permit its equipment be used in any way to lift, move or transport a cargo unit weighing in excess to the safe working load. Should Abu Dhabi Ports equipment be used in handling an overweight cargo unit, the party or parties causing such unauthorized use shall be held liable for all losses, claims, demands and suits for damages including death and personal injury, legal and court expenses, directly or indirectly resulting from such unauthorized use in addition to a fee of Aed 1300 per mis-declaration for all "Cargo Handling Related" mis-declarations an Aed 70 per mis-declaration towards supplies and or provisions provided to vessels

2.27 Distressed Cargo:

Cargo that has been subjected to fire, water, shifting or other influences that will cause the Cargo to be handled in other than the normal efficient manner, will be subject to special rates.

2.28 Handling of Containers, Flats and Mafis at General Cargo Terminal:

Prior approval from Abu Dhabi Ports is required for any handling of containers, flats and mafis at its General Cargo terminals/ports. The General Cargo Operations tariff will apply (Per Freight Tonne) for all handling and storage of Containers, Flats and Mafis.

2.29 Disposition of Unclaimed Cargo and or Sale by Public Auction

Good remaining in the Port unclaimed for a period of (6) months or more maybe auctioned by the Port. For the goods purchased from Public Auction, Port Handling and Storage charges shall be collected from the buyer as per the tariff items 201,204 ,401 and 404.

SECTION - B

100 PORT DUES

504.3	Tractor for Ro-Ro operation	575
504.4	Miscellaneous equipment on request	

Note:

The hire of the above equipment is inclusive of driver and fuel but does not include insurance which is the responsibility of the party hiring the equipment. During overtime period (Sunday & Public Holiday), Driver/Operator overtime rate @ AED 85 per hour or part thereof will apply.

SECTION - G

600 STEVEDORING CONDITIONS

601 Detention of Port Labour

If stevedoring gangs are kept waiting after being ordered, awaiting the arrival of the Vessel commencement of work, opening or replacing hatch covers, shifting Cargo, cleaning holds, dunnaging or other reasons attributable to the Vessel, the cost of Labour at the rate of AED 300 per gang hour or part thereof shall be for the account of the Vessel.

602 Cancellation of Labour

Cancellation of order shall be submitted in writing to Abu Dhabi Ports' General Cargo Office.

602.1 If requests for Services, including requests for stevedores are cancelled after ordering, a cancellation fee of AED 200 per gang shall be applied.

602.2 If requests for Services, including requests for stevedores are cancelled after reporting/operation starting time, in addition to the cancellation charge of AED 400 per gang, a charge as per Item No. 601 shall also apply.

602.3 When order is revised a charge of AED 200 per revision shall be applied, thereafter every subsequent revision will be charged at AED 250.

603 Transshipment Cargo

Transshipment Cargo including Vessel to Vessel via quay or double banking will be charged at AED 16 per FRT for Discharge, and AED 16 per FRT for Loading, except Bagged Cargo which will be at the normal Tariff Rate.

604 Rigging Derricks

Vessel's crew is responsible for rigging derricks, opening and closing hatches or any other gear. Time lost during such operation, shall be charged as per item 601.

605 Opening And Closing of Hatches

Opening and closing of hatches is the responsibility of the Vessel. If Abu Dhabi Ports carries out the Operation, charges will be at AED 375 per hatch. Upper Tween Deck, Lower Tween Deck, shall be counted as separate operations. All productivity time lost during these operations will be charged as per item 601.

606 Shifting Cargo Onboard (Restow)

606.1 Shifting Cargo onboard within hatch shall be charged at normal Tariff rate. No Port handling charge shall be raised.

606.2 Shifting Cargo onboard from one hatch to another hatch without landing on quay shall be charged at normal Tariff rate plus 50%. No Port handling charge shall be raised.

606.3 Shifting Cargo onboard from one hatch to another hatch via quay shall be charged as per Item 603. Port handling charge shall be collected as per item 203.

Note:

In case the tonnage of shifted Cargo is not available, then the physical measurement will be taken and the charges shall be as per Item No 207.

607 Specialized Cargo Gear

Abu Dhabi Ports will supply the normal Cargo gear needed to affect discharge/loading of Cargo at Tariff rates. However, in the instance of specialized Cargo gear required for discharge or loading of special Cargo or lifts, appropriate Cargo gear will be supplied by the Vessel or its representative. Any such Cargo gear must have up to date certification pertaining to the safety of the Cargo gear being provided.

If no such documentation is available Abu Dhabi Ports reserves the right to reject such Cargo gear and shall, if possible, supply suitable Cargo gear at Vessel's/Agent's cost.

608 Loading / Discharging Report

The daily loading/discharging report must be provided by the Agent to Abu Dhabi Ports by no later than 08:00 hours each day. The said report should give details of Cargo loaded/discharged per hatch the previous day plus all other details affecting the working of the Vessel.

609 Delay Report

Any delay factors which shall be recorded by foreman onboard the Vessel shall be certified by Agent/Master. Any dispute shall be resolved at the same time without delay. Refusal to sign does not invalidate the report.

610 Cargo Sorting

The Cargo shall be discharged on 'as is where is' basis. In case cargo sorting is required onboard the Vessel, AED 41 per FRT will be applicable. Said charges will be applied to complete tonnage of mark involved (as per Manifest/Bill of Lading) and not to the amount of tonnage sorted.

611 Discharging / Loading at Anchorage.

In case discharging / loading is required at the anchorage, the transportation of laborers and cost of their meals shall remain the responsibility of the Agent.

612 Locker, Deep Tank & Cabin Cargo.

Any cargo discharged/loaded from/to lockers, deep tanks, vessel's accommodation or any other space not recognized as a genuine cargo hatch then a surcharge of AED 9.00 per FRT will apply in addition to the normal tariff rate.

Said surcharge shall also apply in regard to cargo loaded/discharged from hatch tunnels, alleyways, long ends or deep wings.

The decision of whether or not a hatch has long ends or wings will be at Abu Dhabi Ports discretion.

613 Safety Precautions

613.1 Abu Dhabi Ports reserves the right to provide the safety gear and equipment as required. Cost or hire of such equipment shall be to the Vessel/Agent's account.

613.2 Discharging cargo over deck obstructions including 2 + high containers or over other cargo stowed on deck, may require additional safeguards and procedures. If such operation is called for, extra resources and personnel may be employed to ensure safe working conditions. If a safe means of working is not available alternative arrangements shall be made to shift the obstructions if possible or re-arrange the cargo to a safer working level. Cost of the additional resources and/or cost of the shifting operation shall be raised as appropriate.

SECTION - H

700 STEVEDORING RATES
