

1. We read and understand AD Ports PTW System as well as PTW of the respective Stakeholder(s).
2. We confirm submission of PTW application and all relevant PTW forms associated with all support documents (*Method Statement, Risk Assessment, Third Party Certificates, etc.*) to AD Ports Permit to Work Office.
3. We hold the full responsibility of ensuring that our sub-contractor(s) is fully complying with AD Ports PTW System, and all provisions of Federal UAE and Abu Dhabi Laws and Regulations relating to Health Safety & Environment.
4. We will provide the entire workforce's valid medical insurance details.
5. We understand that AD Ports have the authority to pull-out/cancel the PTW (without notice) when we breached the AD Ports PTW System & all provisions of Federal UAE and Abu Dhabi Laws and Regulations relating to Health Safety & Environment.
6. We confirm that we clearly specify the nature, location and estimated duration of the work.
7. *We confirm our commitment to the issued PTW validity period, which shall not exceed thirty (30) calendar days.*
8. We confirm that all our personnel working under the issued PTW are competent, well trained, qualified and licensed (if applicable) to carry out the work in a safe manner.
9. We confirm all personnel understand the work for which permit is issued, the risks associated with the work, and the relevant controls.
10. We shall ensure that work is performed in a safe manner and in accordance with relevant legislations, standards and codes of practice.
11. *We will monitor the work of our personnel and the issued permit throughout the course of work in AD Ports, furthermore, the work shall stop when the in-charge personnel is not available.*
12. We will ensure reporting all unsafe act(s) or unsafe condition(s) and near miss during the operation of a permit, to the attention of the Permit to Work Office and report incidents to AD Ports Control Room (800-112).
13. We will ensure suitable/visible display of issued permit.
14. We will ensure that at the completion of the work, the area is left in a safe condition.
15. We assure AD Ports that we will resubmit the permit to the Permit to Work Office for sign off & close-out; on the next day of the work completed.

Permit Applicant/ Receiver I confirm that I have read, understand and agree to the AD Ports Permit to Work System requirements and procedure.
